August 18, 2011

Dear Parents & Students,

This will be a great school year and one to remember! Everyone at Eastin Elementary is motivated to support children in their journey of acquiring knowledge. We have lots of fun activities planned this school year for parents, students, and the community. I am looking forward to meeting every student and parent once school begins. As your principal, I am very passionate about education and making certain all students are successful. My personal goal is to ensure every child at Eastin Elementary School receives a quality education.

We have a great Parent Teacher Club that supports various activities and programs on our campus. We believe that parent participation is a link to student success. I encourage all parents to be part of the school atmosphere and culture by volunteering regularly. Please feel free to sign up for Parent Teacher Club (PTC), School Site Council (SSC), or classroom volunteer work. We will need parents for School Site Council, please contact me directly if you are interested.

The first day of school is **Wednesday, August 31, 2011**. We all remember anticipating the first day of school as a child. Who will be my teacher? When does school start? Will I meet new friends? How will lunch taste? These are a few of the various questions we ask ourselves; as we prepare to go back to school. I know your child is asking themselves these same questions as they anticipate the start of school year. Please let your children know my staff is prepared to ensure their safety and answer all of their questions. This letter will provide you with the necessary information to make certain you are well informed before the first day of school.

### **Who will be my teacher?**

Class assignments for **Kindergarten students** will be posted on Tuesday, August 30, 2011 at kindergarten orientation.

Class assignments for **Grades 1-5** will be posted in alpha order on Tuesday, August 30, 2011 after 3:00pm on our office window. We will also assist students and parents on the first day of school to ensure everyone is in the correct classroom.

\*Please ensure that transportation and childcare are arranged prior to first day of school. This will help students ease back into school. Please contact Kid's First for registration. Students must be enrolled in Kid's First prior to the first day of school in order to participate in this particular program.

### **Parking**

We have very limited parking spaces therefore pick up and drop off procedures will need to be adhered too. It is equally important that all parents abide by all traffic laws. Please keep in mind no one is allowed to leave his or her car unattended. Students and parents are to walk on all sidewalks and crosswalks at all times. Safety first!

### **Test Results**

Standardized Testing and Reporting (STAR) scores will arrive later this month for students who took the assessment in May 2011. Please review the results of the test with your child. See your child's teacher if you want further explanation of your child's results.
